7-		14-	

MEDIA TRANSFER

INSTRUCTIONS

One Vinyl Record or Cassette Tape per CD (Up to 80 minutes of content)

We will gladly do "piece work" (only certain tracks from several different records or cassettes) Simply include with your order instructions as to which tracks from which media using this format:

ARTIST NAME	ALBUM NAME	SIDE	TRACK #	TRACK NAME	TIME	TOTAL TIME
					+2	=
					+2	=

(CONTINUE ON A SEPARATE SHEET)

2 seconds are added to each track to allot for the industry standard space between tracks on the finished CD

After adding all the total times, divide your grand total by 80 and then round up to the nearest whole number. This will be the total number of CD's needed to fulfill your order.

ORDER HERE

REMEMBER: One Vinyl Record or Cassette Tape per CD (Up to 80 minutes of content)

First CD:	1	X \$25.00 =	\$25.00 +
# of additional CDs required:		X \$20.00 =	\$ +
Additional copies:		X \$ 5.00 =	\$ +
TOTAL =			\$

PLEASE NOTE: We recognize the confusing nature of transfers, so send us an email and we will be glad to further assist you if you are unsure.

CD DUPLICATION

DO YOU NEED A FREE BARCODE?

- Yes No, I don't want a bar code, or one is already included on my artwork
- I have my own UPC Number: _____ Please add the bar code for me

PLEASE NOTE: If you choose to have us put a barcode on your product it will automatically be printed on the bottom right corner of the back cover of your CD. You cannot change the location of the barcode.

ARTWORK Please be sure your artwork has been prepared in accordance with our [specifications](#) If you are using our [Design Services](#) to prepare your artwork, please include a completed **Design Services Order Form** as well as any additional media or instructions with this order.

OF CDs _____ x RATE EACH (from chart on page 1) \$ _____ = TOTAL \$ _____
